PRESS RELEASE

‘Aisha Allabar Art Gallery pay Tribute to Women’

Intertwined throughout history, Women is the pillar of the family and partner for development and progress. It is a constant reminder that Women play a paramount and fundamental role in the fabric of our society.

Every woman figures out her worth, takes a flight of pride, soar through freedom and nestles in the arms of change. The artworks present myriad of style and technique from artists coming from different part of the world. The Exhibition will open door on **14th March at Aisha Allabar Art Gallery in Al Quoz 2** in honour to celebrate Women and in connection with Dubai Art Season until **30th April**.

In line with **His Highness Sheikh Mohammed Bin Rashid Al Maktoum**, quote “Behind every great community stand great women, leading each generation and raising our families and nation higher”, the exhibition marks a comprehensive approach and highlight the voice of female identified artists to showcase their artwork that reflect on the progress, act of determination and passion.

Aisha Allabar Art Gallery will present seven women artists coming from Malta, India, Egypt, France, Croatia and Pakistan to showcase their work that reflect and connect with their self. The exhibition is curated by the art activist Zaahirah Muthy hailing from Mauritius. Some of the artists will be in residency for four days with the Gallery. In tandem to the Art Exhibition, we will have a one-day workshop on 16th March from 10h00am to 4h00pm where the artists, will perform live whilst others will expand on a documented topic. On 17th March from 7h00-9h00pm, Aisha Allabar Art Gallery will host a panel discussion bringing women and man leaders in the creative industry to express their view and inspire our audience.

Aisha Allabar, the owner of Aisha Allabar Art Gallery and a passionate photographer quoted, “

“the Art Gallery, is an important platform for established worldwide pioneering modern and contemporary artists, presenting their masterpieces in group and solo exhibitions and promoting them and developing their international profiles.
