Biography

Alia Hussain Lootah (b. Dubai, 1987) is an Emirati artist, a mother of four, and the co-founder of Medaf Studio in Dubai. Alia's current work focuses on bodies of art with the theme of understanding the interpersonal relationship between mother and child in today's modern world. Uncertainty stems from both external and internal factors of unrest.

Alia recently exhibited her first solo exhibition titled *In The Space of Becoming* at Aisha Alabbar Gallery, Dubai, UAE (2026), and a solo presentation at Abu Dhabi Art, Aisha Alabbar Gallery, Manarat Al Saadiyat, Abu Dhabi, UAE (2022). She has participated in several exhibitions including *The Quest*, Aisha Alabbar Gallery, Dubai, UAE (2022); *Sikka Art Fair*, Dubai, UAE (2011, 2012, and 2013); *Mawtini*, Tashkeel, Dubai, UAE (2013); *Metamorphosis*, Tashkeel, Dubai, UAE (2013); and *40 Poems from the Desert*, The Ara Gallery, Dubai, UAE (2011). Alia participated as one of the first artists in the Salama bint Hamdan Emerging Artist Fellowship Program (SEAF), graduating in 2014. Her SEAF thesis focused on exploring motherhood through different forms of sculptures. In 2017, Alia co-founded the Medaf Studio in Dubai, an art centre aimed at introducing children and adults to art as a form of self-expression and creativity.
